CEO, Physician, Speaker, and Best Selling-Author

Public Speaking Engagements

Dr. Winifred Bragg is a nationally recognized speaker on the topics of success and leadership mastery. She is the Best-Selling author of a book series on TheBraggFactor® teaching entrepreneurs, business owners and students on how to own and communicate their value. She has been seen on ABC, NBC, CBS, and FOX. Dr. Bragg has provided programs at Fortune 500 companies and given a keynote at the US Capitol.

Winifred has been referred to as a “true gem.” Her unique magnetism coupled with her deep, soulful messages; her dynamic presence and her ability to transform those who have the privilege of experiencing one of her keynotes, breakouts or programs makes for an unforgettable event.

Although Bragg’s keynotes, breakouts and programs are particularly geared to address the topics of success and leadership mastery for corporate leaders, business owners, women’s groups, managers and university students, Dr. Bragg, on numerous occasions, has adapted her message to general audiences of all ages. Winifred has the unique ability to adjust any of her existing keynotes, breakouts or programs to suit the needs of any event.

Dr. Bragg's signature e-seminars include:
